Captains and Coxswains Safety Meeting

Please report outside the Officials' tent at 09:30am All Clubs will be briefed on the local hazards, namely rocks at low tide in the middle of the course, and the swimmers and other watercraft that may be present.

Trailer Parking

Parking for trailers will be available on the promenade to the East of the Officials Tent and adjacent to the railings.

Important: Parking of Towing Vehicles

Towing Vehicles will not be permitted to be parked on the promenade, and any vehicles parked on the promenade will be ticketed by the local Parking Officers. Vehicles should be parked in the underground carpark

adjacent to the Club. This is payable via the Ringo App – it is car park no. 17150.

Additional Information – Driving Towing Vehicles on the Promenade

From 16 June 2025, additional restrictions have been placed on vehicles driving on the promenade:

- There is now a weight limit which will apply to Towing Vehicles, of 2000kg.
- If your Towing Vehicle is over this weight limit, it will not be allowed to drive on the Promenade, and Trailers will need to be pushed from the access point by the Pier, to the parking area East of the Umpires Tent.

This is new legislation and has been implemented by Hastings Borough Council to protect the infrastructure of the Promenade.

The Rowing Course

The Start will be from the officials' tent on the promenade. Crews row east, turn, and row back west to the finish. Course distance approx. 1800m.
