# **IMPORTANT INFORMATION TO READ PRIOR TO THE START OF THE REGATTA AS DETAILED IN OUR REGATTA RISK ASSESSMENT**

Please can all club captains ensure that all rowers are briefed on this events risk assessment & safety plan prior to the regatta starting.

The first aid point is located inside the clubhouse – please ask in there for help.

Signs will be up regarding our Regatta Safety Plan and if a 999 call is required then please make it and get someone to advise the regatta control so it can be managed from there.

Please note : There is a defibrillator located on the wall on front of the Lifeguards building joining Eastbourne RC clubhouse. The Location is AAB28 which the emergency service operator will require for the unlock code.

## **Racing Safely**

Please ensure no inexperienced crews or scullers go afloat who are not able to complete the course safely.

Please ensure no crews, especially novice crews, go afloat with inexperienced coxswains.

Please take care when launching boats and coming ashore, with bows always into the waves and lots of help in rough conditions.

Please exercise caution at the turns when approaching the turns and watching out for crews coming in if you are exiting the turns.

There are a number of hazards on the course - please advise your rowers to watch out for swimmers on the course, winch rope on the beach in front of ERC, other water users and that the groynes towards the pier by splash point / redoubt fortress area are slightly longer and make be hazardous when the tide is lower. There are also large yellow buoys which mark a swimming area east of the pier. The course goes through this area, so extra vigilance is needed for swimmers.

Individuals are to be responsible for their own personal safety and to inform club captains if they do not feel safe to row. Club captains to ensure the welfare of their junior members during the whole event and ensure they are adequately looked after.

Please ensure rowers have plenty of fluids and protection from the sun to avoid sunburn or heat stroke.

The club welcomes new members of all ages and abilities from Juniors aged 14+ onwards (school year 9). Those interested in learning a new skill or increasing their fitness in an encouraging and inclusive environment, should contact [secretary@eastbournerc.co.uk](mailto:secretary@eastbournerc.co.uk)

The club is run by a team of enthusiastic volunteers who are active in pursuing ways to raise funds for the club, and who welcome the backing of local businesses and people to support their endeavours.

There is a continuous requirement for boat maintenance, training equipment, boat house repairs and training kit, and our club volunteers complete numerous fundraising initiatives throughout the year.
