A warm welcome awaits at The Crispin

A local favourite with local ownership

Landlord Ian, along with partner Barbora and manager Dan are three local Sandwich residents and took over the reins of The Crispin Inn in February 2022.

After closing for 2 weeks for an interior refurb the pub now has a fresh and clean new look. The creation of a proper snug is part of the change and is available for private hire for small gatherings or family occasions. The rear barn has also undergone refurbishment and is now a wonderful room dating back to the 15th Century with oak beams and flagstone floor folding doors open out on to the rear courtyard and river Stour beyond. The barn forms part of the restaurant but can also be made available for small functions and parties of up to 20 - 25 people.
